

YASH SAHOO

DESIGNER / DEVELOPER

Enthusiastic and creative design student in the final year of Animation and VFX with a passion for innovative and user-centric design solutions. Adept at translating concepts into visually appealing and functional designs, I have honed my skills through coursework and hands-on projects. Eager to contribute a fresh perspective and strong design sensibility to a dynamic team. Proficient in industry-standard design software and committed to staying abreast of emerging design trends. Ready to leverage my education and practical experience to make meaningful contributions in the field of design and development.
